FUELS

Duty-free allowance is limited to quantities contained in the normal tank of any means of transport, in addition to any fuel contained in an approved portable container with a maximum capacity of 10 litres for each car.

N.B. The container must be stored in the luggage compartment in a steady position and must contain the same type of fuel used by the vehicle that transports it.

A "BY VALUE" ALLOWANCE

Purchases that come under the allowance must not be of a commercial nature; hence, they must be occasional and must concern goods intended for personal use or for the family of the traveller, or be intended as a gift. They must not in any way reflect, through their nature and quantity, any commercial intent.

PLEASE NOTE: THE ALLOWANCE BY VALUE IS PERSONAL AND NOT CUMULATIVE!

- > Travellers over 15 years old - 300,00 Euro
- > Travellers under 15 years old - 150,00 Euro

NOTE

- > Duty-free allowance for each traveller over 17 years old
- > Cigarettes or tobacco exceeding your allowance may not be imported, not even by paying duty and excise on them.
- > Travellers below 17 are excluded from the exemptions provided for in points "tobacco products" and "alcohol and alcoholic drinks".
